

International Exhibition & Conference

PAINTINDIA 2022

Serious business for your industry

India's proud global event for the paints, coatings, inks, construction chemicals
and adhesives-sealants industries

DATES: 10-12 MARCH 2022

VENUE: Halls 1, 2, 3: Bombay Exhibition Centre, Mumbai, India

Release Dated: 5th November 2020

Dear Industry Colleagues,

We take this opportunity to extend our best wishes to you for the festive season. We hope your family and colleagues are coping well with the challenging times thrust upon us by the pandemic, even as we see firm signs of economic revival and initial signs of normalcy returning.

The COVID-19 pandemic was the sole reason that caused us to postpone our originally designated PAINTINDIA 2020 from March 2020 to 11-13 March 2021. At the time, the postponement by a full year was in order to ensure that the economic and health scenario can be conducive to the holding of a global event of the magnitude and relevance as is with PAINTINDIA.

However, the ongoing health situation and the possibility of a second wave of cases (already seen in Europe and USA) still does not give us a free run to confidently conduct the event in the given time-frame. Furthermore, the venue, Bombay Exhibition Centre, is still a designated COVID centre at the time of this communication, with no clarity on when it would open up for business. The opening up of International travel is also something on which we do not have firm timelines.

In the background of this uncertainty, we, the organisers of PAINTINDIA, have decided to return back to the original regular even-year biennial cycle, and the next edition would now be held in Mumbai at the same venue from **10-12 March 2022**.

We remain as committed as ever to delivering an even more successful event in this new time-frame. We remain accessible for any support that we could be of, in the meantime, and look forward to our continued engagement leading up to PAINTINDIA 2022.

Warm Regards

Dilip Raghavan

On behalf of Team PAINTINDIA
